3 The Deputy Commr now reports that the merchants of Sagara in Hydrabad bring Kumblis and sell them ~~ex~~ terms in the Alur Sub Taluk of the Hassan Dt ~~and~~ that those that buy them there sell them at Mudgere, & that as the Alur Municipality have proposed to levy octroi on them in that Municipality, the people of Mudgere apprehend a similar proposal

by the Municipal Board
and have applied for
exemption before hand.

Kumblies of agama imp the Mudigere Taluk and of less value as no duty is levied on it in Mudigere Municipality. He considers that there is no Sl 21 why Hyderabad Cumblies should be allowed exemption from taxation as in the case Mysore made Cumblies.

Sir.

In reply to your official memorandum No 1936 X / 273-98 dated the 11th Augt forwarding for report the petition of Nanje Gowda and others of the Mudigere Taluk praying for the exemption of octroi duty on Kamblies imported from Nagara in H.H. the Nizam's Territories, I have the honor to state

as follows.

2. It is reported that the merchants of Sagara in Hyderabad bring Kambles and sell them extensively in the village of Nonasu in the Alur sub-taluk of the Hassan district. Those that buy them there bring them into the Mudigere taluk and sell them there. A proposal to levy octroi on them in the Alur municipality is, it seems, under consideration there. Hearing that a similar proposal may be started here, the merchants of the Mudigere taluk have, it seems, applied for exemption.

3. The number of the Kambles of Sagara imported into the Mudigere taluk is said to be small and of less value. At present no duty is levied on it in the Mudigere municipality. As octroi on Mysore Kambles alone is excused in Government order No $\frac{9923-31}{L.\ T.\ 3-94}$ of the 25th February 1899,

I see no reason why it should not be levied on Hyderabad Kambhies —.

4 The petition under report is herewith returned.

Sir,

With reference to the
marginally noted official memoran
forwarding for report and an
expression of opinion, the petition
of certain inhabitants and merchan
of the Morasu village, of the Alur
Sub Taluk of some residents of the
Alur Kasba and of the Manjana
bad Taluk, praying for exemption
from Octroi duty of the Cumblies
imported from Salgar in the
Nizam's Dominion in the same
manner as Mysore made cumblies
I have the honor to state from the
information

No. 13476 Dated 29th May 1899.
S. F. 303-96

No. 1935 Dated 11/12 August 1899.
S. F. 3-98

No. 2797 Dated 29 " Do
S. F. 3-98

information available that these Salgar Cumblies are worn not merely by the labourers of the Coffee Estates but also by the Raiyats generally of the Malnad.—

2 —— One fact seems certain that the Malnad Raiyats have a distinct liking for the Salgar Cumblies in preference to those of the Mysore manufacture and it has been reported that in the Manjarabad Taluk about 14,123 such cumblies are being annually sold out for Rs 28,958. It has also been distinctly recorded in the Proceedings of a meeting of the Alur Town Municipal Board Dated 25th July 1896, that Salgar Cumblies worth no less than about Rs 30000 were annually sold in the Moradu villages

attached

attached to the Alur Municipality

3 ——— This exceeding preference to the imported Sagar cumblies by the Mahrad Raiyats and Coolies has as far as I have been able to ascertain, been mainly attributed to the Local supply being far short of the demand and to the credit system which is almost invariably extended by the Sagar Merchants and their itinerant agents -

4 ——— Notwithstanding such a large sale of these cumblies in the Municipalities the income derived therefrom has been ascertained to be exceedingly small, for they are generally received and distributed for sale outside the Municipal limits. In the Town of Sadlespur it has been reported that nothing has

has yet been realized from these cumblies, while in that of Alur the duty having been levied for the first time in December 1897, the annual income has to be roughly struck out from the recorded actuals given below:—

	Rs.	A	P
December 1897 ...	8	6	9
November & April 1898 ..	15	11	8
July & November 1899 ..	6	10	8

5— Having regard to the above facts, it cannot be said that the Municipalities are profited to any appreciable extent by the imposition of the tax on the Salar Cumblies, nor can it be said that the tax if levied will operate with any severity upon the Raiyats and Coffee laborers living in the malnad parts (outside the Municipal towns) wherein they are mostly

and

sold.

6 — The order of Government conveyed in their Proceedings etc 9923—31 Dated 25th February 1899. L.A. 3—98 exempting the Mepore made — Cumbleas only from taxation is no doubt based upon the principle of giving impetus to the local industry of which people of industrious instincts can very well take advantage, but at the same time, as the matter, at present, stands this object is easily frustrated by reason of the articles being brought and sold outside the municipal limits while the incepant Complaints of these petitioners would nevertheless remain. —

7 — On the other hand, I have no hesitation in thinking that

that the exemption from taxation of all the cumblies (local and foreign) would result in the foreign stuff being imported in very large quantities in the municipal towns without fear, and I am afraid if that may not have the effect of killing the local industry altogether

8 — Looking at both sides, the question presents some difficulties but in view of the very small handship the imposition actually causes and the very brief period the tax has been under operation which does not therefore allow of deciding the question of the annual income, I would respectfully submit that the levy of tax on the foreign stuff

staff may be continued for at least a period of three years more when by means of a closer examination of the subject in the interval, the question of abolition or otherwise could be finally determined.

9— The petitioners Kolleam Sivalingappa and others have refused to sign the notice issued by the Main Deputy Amildar asking them to produce the accounts connected with the sale of the Salgar Cumblee during the past five years

10— The enclosures received with the official memoranda under reference are herewith returned

I have the honor to be,
Sir,
Your most obedient servant;
